The question presented is whether this action based on the defendant's having filed counterclaims in a prior, unrelated proceeding in federal court, is one "arising from" activity protected by Code of Civil Procedure section 425.16 (section 425.16; the anti-SLAPP statute), which provides for early dismissal of certain actions known as "strategic lawsuits against public participation." \*fn1 We conclude that this action arises from statutorily protected activity, but does not for that reason alone necessarily constitute a SLAPP or become subject to dismissal under the statute. \*fn2
